**OTHER INFORMATION:**

*Please note that we are advised Mr. Randy Erskine has resolved any technical issues during the test run from Monday concerning Segra. It is understood that he tested both WebEx and Segra during the Monday test run and there were no issues using WebEx. WebEx will be used on Tuesday, July 28<sup>th</sup> and Wednesday, July 29<sup>th</sup> during the hearing. Attorneys, you can have your witnesses with you in the same room during the virtual hearing; however, you will need to have one computer for you to use and one computer for a witness to use while testifying. Please do not use iPads or phones. Computers are best. We are also advised that the Test Run today with Bridgestone's counsel and its witnesses went well.*

Please let us know on Friday the Order of your Witnesses. Each witness will be presented individually and not in a panel.

I hope that this information is helpful to you.

With kind regards, I am
